

# CONTRACTOR 3100

## PROTECTION IN A SMALLER PROFILE

The Contractor 3100 is a high quality hybrid mobile surveillance trailer configuration in a smaller package. It is our stand-alone proactive detection and deterrent tool, engineered to protect locations where you have valuable equipment that you need to protect. The Contractor 3100 is engineered to work hand in hand with the MP Status systems offering a truly full featured protection platform.

The Contractor 3100 configuration has a full complement of defense options that include:

- Top mast strobes provide a longer distance recognition of a system in alarm. There are several options for colors of the strobes.
- Body riding lights flash and makes the trailer come alive making it impossible to ignore.
- The audio system provides many forms of deterrence from the ability to play a message on alarm informing the intruder that this is a secure area, to sounding a siren. Audio automation is managed through the MP Status and can be activated based on several conditions.

This combination of deterrents offers a proven solution to defending a site. All of the deterrents can be enabled and disabled on the fly through the MP Status system as needed.

### KEY FEATURES

- Falcon 3100 Mobile Surveillance System
- MP Status and Control System
- MPS Defense System
- Arm/Disarm the System Locally and Remotely
- Robust Email and SMS Notifications
- 19'6" Stabilized Electric Mast system

- Gas Generator System
- 900 Ah AGM Battery Pack
- 1 – PTZ Camera 30X 1080P, IR
- 1 – Fixed Dome Camera 8 MP Multi-sensor, 360°, IR
- 4G Cellular Modem/Router
- WiFi System Local Hot Spot/WAN as WiFi
- 16 Port Gig Network Switch
- HID Multiclass Card Reader with Keypad
- Full Automation Kit
- IP Enabled Audio w/Programmable Messages
- Semi-Hardened Laptop VMS 2 TB HD
- Approx. 25 Days of Retained Recordings
- Video Management Software
- Top Mast Strobes
- 3 – 40', 120° Motion Detectors
- Tool-less Removable Camera Mounts
- 900W Solar Panel System
- Heavy Duty Wheeled Jack
