

# SERGEANT 3100

## MULTI-USE PROTECT AND MONITOR

The Sergeant 3100 hybrid mobile security trailer configuration is our highly featured system designed to provide you with reliable video collection. Video is collected via one high quality 1080P PTZ camera with embedded IR lighting allowing total darkness viewing. This trailer also includes a high-end multi-sensor 360° IR camera for full-time viewing. The objective of this system is to have high quality cameras that capture and record video in most lighting conditions.

The Sergeant 3100 configuration has a full complement of defense options that include:

- Top mast strobes provide a longer distance recognition of a system in alarm. There are several options for colors of the strobes.
- Body riding lights flash and make the trailer come alive making it impossible to ignore.
- The audio system provides many forms of deterrence from the ability to play a message on alarm informing the intruder that this is a secure area, to sounding a siren. Audio automation is managed through the MP Status and can be activated based on several conditions.

This combination of deterrents offers a proven solution to defending a site. All of the deterrents can be enabled and disabled on the fly through the MP Status system as needed.

### KEY FEATURES

- Falcon 3100 Mobile Surveillance System
- MP Status and Control System
- MPS Defense System
- Arm/Disarm the System Locally and Remotely
- Robust Email and SMS Notifications
- 19'6" Stabilized Electric Mast system

- Gas Generator System
- 900 Ah AGM Battery Pack
- 1 – PTZ Camera 30X 1080P, IR
- 1 – Fixed Dome Camera 8 MP Multi-sensor, 360°, IR
- 4G Cellular Modem/Router
- WiFi System Local Hot Spot/WAN as WiFi
- 16 Port Gig Network Switch
- Full Automation Kit
- IP Enabled Audio w/Programmable Messages
- Semi-Hardened Laptop VMS 2 TB HD
- Approx. 25 Days of Retained Recordings
- Video Management Software
- Top Mast Strobes
- Top Mast Lights
- 3 – 40' 120° Motion Detectors
- Tool-Less Removable Camera Mounts
- 900W Solar Panel System
- Heavy Duty Front Wheeled Jack
